Respected Sirs,

We are pleased to inform you that the steel procured from your factory situated at Plot No. A-6, Gokul-Shirgaon MIDC, Kolhapur, has proved to be excellent in quality. So far we have procured and used on-site approximately 800 MT of your "MHLAXMI" TMT FE-500 bars and will continue to use the same until completion of the project referred above. Total quantity of steel to be used in the project is estimated to be around 1000 MT

We hereby state that the quality of steel provided by your good selves is satisfactory and in compliance to the Govt. issued specifications. We have taken note of the specifications via a third-party test report of your steel also.

We hope to continue our business with you for the betterment of our state & society.

Thanking you.

Yours Sincerely,

Shivaji R. Mohite
